	publications. I have organized some international conferences in the field of education evaluation
<b>Other Information</b>	<p>During my research activity in the economics of education and evaluation, I had the opportunity to meet and collaborate with mutual satisfaction with the following personalities of international standing: Eric Hanushek, <a href="http://hanushek.stanford.edu/">http://hanushek.stanford.edu/</a></p> <p>Trevor Bond, <a href="http://www-public.jcu.edu.au/education/staff/JCUPRD_037843">http://www-public.jcu.edu.au/education/staff/JCUPRD_037843</a></p> <p>Charles L. Glenn <a href="http://www.bu.edu/sed/about-us/faculty/profiles/charles-glenn/">http://www.bu.edu/sed/about-us/faculty/profiles/charles-glenn/</a></p> <p>With their collaboration, among other things, the volume Gori E., D. Vidoni, E. Hanushek, C. L. Glenn. (Eds.), (2006) Institutional Models in Education; Legal Framework &amp; Methodological Aspects for a new approach to the problem of School Governance. NIJMEGEN: Wolf Legal Publishers, which collected the contributions of the homonymous conference at INVALSI</p>

## Activities and publications specifically related to the economics of education and evaluation sector

### Training activities of national and international importance

As part of the research "From the Difference Equity" I had the opportunity to hold dozens of training seminars for teachers of elementary, middle and high schools aimed at their participation in the research for the purpose of preparing the items for the assessment of knowledge and skills in 'field of the Italian language, mathematics and history, also training them to understand the analysis and validation through the Rasch model, and the construction of measures of growth in the level of knowledge and skills.

Professor in the Summer School for Teachers and Course Administrators in Learning Measurement and Assessment, Colegio Garcia Flamenco, Final 57 Avenida Norte Col. Miramonte, San Salvador, El Salvador

On behalf of INVALSI, as President of the CTS, I presented the education evaluation system and its prospects in Italy, at the OECD commission in Paris in 2004 (2 hours of seminar)

### Organization of international events

Gli indicatori di qualità in relazione agli obiettivi di Lisbona: progressi realizzati e prospettive di sviluppo, Frascati, Villa , Tuscolana 29-31 ottobre 2003,
