HEREBY DECREES

### **Article 1**

A public selection is hereby announced, by means of a comparative assessment, to recruit a fixed-term researcher pursuant to art. 24 clause 3 letter a) of Law n. 240 of 30.12.2010, based on the following specifications:

#### **Department of Medical Sciences Competition sector: 06/D3 Blood diseases, oncology and rheumatology**

**Profile:** Scientific-disciplinary sector MED/16 Rheumatology

**Duration of contract:** three years, extendible for two years only and once only, conditional on the finding of suitable funding in the future to cover the other two years and a positive assessment of the didactic activities and research carried out

**Conditions:** full time, with 350 hours for didactic activities, additional didactics and services to students

#### **Research Project:**

**“HARMONIZATION and integrative analysis of regional, national and international Cohorts on primary Sjögren’s Syndrome (pSS) towards improved stratification, treatment and health policy making”**

The main aim of the research will be the same goal of the HarmonicSS project, which originates from the unmet needs in Sjögren’s syndrome (SS), comprising the necessity to improve SS patients’ clinical and scientific management and the development of health policies in SS, starting from the harmonization and integration of different European cohorts of SS affected patients. This aim to develop models of stratification and health policies, potentially applicable also for other diseases, mainly in the autoimmunity and cancer field. With the tools provided by the project, both the clinical and therapeutic management will be optimized, with a crucial role in this process attributed to the scientific research.

The activities to be performed by the researcher are:

- 1) the study of lymphoproliferation and B cellular expansion in different subgroups of SS patients at different stages of the disease (benign, pre-lymphomatous and lymphomatous) using bio-molecular, immunologic and histopathologic methodologies; the study of cytokines interaction, of B cells and others key cells involved in the beginning and the enhancement of inflammatory and lymphoproliferative process (such as salivary glands epithelial cells); the individuation of new potential biomarkers; the integration of obtained results and the correlation with clinical and laboratory data of patients and with already known biomarkers;
- 2) the management of the data collected during the project time-frame and during the immediately following phase with Data Manager functions.

The results achieved during the European project HarmonicSS will have to be moreover completed and disseminated. The data will also have to be integrated and monitored with the continuation of the research activity until the end of the three years’ contract.

**Duration of the research programme:** 3 years

**Professor responsible:** Prof. Salvatore De Vita, University Associate Professor at the University of Udine – competitive sector 06/D3 – scientific-disciplinary sector MED/16

**Specific functions and objectives allocated:**

The researcher will be responsible for the organization and the management of the research activities mentioned in point C.

More specifically, the researcher should:

- agree with the scientific director, prof. De Vita, the activities to be carried out in the Department of Medicine of the University of Udine, and in the Rheumatology Clinic of the University Hospital of Udine, which is UNIUD linked third party in the European Project "HarmonicSS";
- be responsible for the organization and the supervision of the activities of other personnel involved in the activities;
- be responsible, in his capacity of Data Manager, for the management of data collected during the project;
- regularly present and discuss the results achieved with the scientific director and with the other members of the research group;
- be actively involved in the dissemination of the results achieved by writing scientific papers and by participating in national and international meetings.

**Didactic activities, additional didactics (60 hours) and services to students:**

The researcher will be expected to perform teaching and supplementary teaching activities at the Specialization Schools of Medicine, academic recruitment field 06/D3 "Blood Diseases, Oncology and Rheumatology".

The researcher will also assist students as follows:

- individual interviews during office hours, to be scheduled at the beginning of the course
- supervision activities for trainees assigned in the research venues;
- follows undergraduates students as co-rapporteur;
- organization of seminars/workshops addressed to students attending the Specialization School of Medicine of the University of Udine.

**Assistance activities:**

The researcher might perform health care activities in the Rheumatology Clinic of the University Hospital of Udine, taking into consideration the commitment of the responsible of the health facility in this respect.

**Workplace:**

- Department of Medicine of the University of Udine (main venue);
- Rheumatology Clinic of the University Hospital of Udine, which is UNIUD linked third party in the European Project "HarmonicSS" (secondary venue);
- Other centers, partners in the framework of the project "HarmonicSS" (secondary venues).

**Maximum number of publications to be presented:** twelve

**Language required for the oral examination:** English

**Article 2  
Requirements for admission to the comparative assessment**

The procedure is open to Italian and foreign citizens having the following qualifications in the appropriate field of study and research:

Master's Degree (laurea magistrale) in Medicine and Surgery and a Specialization Degree in Rheumatology issued in Italy or recognized by the Italian Ministry of Health.

Candidates must also be registered as members of Italy's Order of Surgeons and Dentists.

The adjudicating commission shall evaluate the above requirements.

The following categories are excluded from the comparative assessment:

- full and associate professors and researchers with permanent positions in Italian Universities, even if they have retired;
- those who have already had contracts with research grants and fixed-term researchers pursuant to arts. 22 and 24 of Law 240/2010 at the University of Udine or other Italian Universities, state-run or not, or on-line, and also those Bodies pursuant to clause 1 art. 22 of Law 240/2010, for a period which, added to the overall duration of three years envisaged for the contract announced, exceeds a total of 12 years, even if not continuously. For the purposes of the duration of such relationships, any periods spent on maternity leave, or for health reasons according to current legislation, shall not be considered;
- those who have any degree of family relationship or affinity, up to the fourth degree, or are connected by marriage, with a professor belonging to the Department proposing to issue the contract (<http://www.uniud.it/cercapersone.htm?struttura=107603>) or with the Rector, the Administrative Director or any component of the University Board of Governors (<http://www.uniud.it/ateneo/organizzazione/organi/composizione.htm>);
- those who are excluded from civil and political rights;
- those who have been dismissed or dispensed from a position at a Public Administration due to a persistent unsatisfactory performance;
- those who have been dismissed from another State position pursuant to art. 127 letter d) of Presidential Decree n. 3 of 10/1/1957;
- those who have criminal convictions incompatible with the standing of a public employee; a situation which would force the University, who has announced the competition, to withdraw all rights and reject the applications pursuant to art. 127, first clause, letter d) of the D.P.R. 10/01/1957, no. 3.

The requirements must be possessed on the date when the deadline for presenting the application for admission to the procedure expires.

Candidates are admitted to the comparative assessment only conditionally, and exclusion from the procedure due to a lack of the requirements is decided by a justified decree by the Rector, and notified to the candidate concerned.

The Administration guarantees equality and equal opportunities to men and women for access to and treatment in the workplace.

### **Article 3** **Application for admission**

Application for admission to the comparative assessment must necessarily be drawn up following the outline shown in attachment "A" for Italian candidates and attachment "B" for foreign candidates, which must be filled in in every part and signed by the candidate, otherwise the candidate will be excluded.

The application must be addressed to the University of Udine – Area Organizzazione e Personale – Ufficio Concorsi – Via Palladio 8, 33100 Udine.

The application must be presented within the established, non-extendible deadline, that is, within 30 days from the day following the publication of the announcement in the Official Gazette of the Republic of Italy. Otherwise the candidate will be excluded. If the deadline expires on a holiday, it is postponed to the first working day thereafter.

The options for presenting the application are as follows:

- hand in to the protocol Office (Ufficio Protocollo) (from Monday to Friday 9.00 – 11.30);
- send by registered post with notification of receipt within the established deadline. For this purpose the date of the post mark of the Post Office that accepts the application shall be the accepted date.
- send by Italian mailbox "Posta Elettronica Certificata" (PEC) to the address [amce.postacert.uniud.it](mailto:amce.postacert.uniud.it). The application and all the attachments are to be signed with a digital signature or a scanned written signature accompanied by a copy of the identity card in PDF/A or Adobe PDF format. In case of a scanned written signature the mailbox of the electronic PEC will be that of the applicant.

The candidate who sends documentation via PEC need not subsequently send documents on paper.

Any application transmitted by a non-certified electronic mail address, or not in conformity with the dispositions of this clause, shall not be considered.

All publications must be numbered and the title of each file containing publications must include the relative enumeration of the documents and preferably not exceed 30 characters.

The maximum size supported by PEC is 20 MB. If the applicant wishes to present a number of attachments which exceeds that limit, he/she will have to submit the application with a first dispatch, enclosing a message to specify that part or all of the attachments will follow in successive dispatch(es), always before the deadline for the submission of the application. Each Certified Mail must include reference to the competition procedure. The University Administration declines all responsibility if the files sent by PEC are illegible.

Any candidate recognized as disabled must specify in the application any equipment needed for his/her disability, pursuant to Law n. 104 of 05/02/1992.

Candidates are required to pay a contribution of €20 to the bank account n. 000040469443 (ABI 02008 CAB 12310 CIN R IBAN IT23R0200812310000040469443 BIC UNCRITM1UN6) at UNICREDIT BANCA Spa - Udine, in the name of the University of Udine, and must indicate as cause of payment: "Contribution for selection – Competition sector ...".

The receipt of payment must be attached with the application.

The application must include an address where the candidate can receive correspondence regarding the public selection. Should the candidate give an Italian mailbox "Posta Elettronica Certificata (PEC)", all messages regarding the public selection will be sent to that address.

The office to which the application was made must be informed of any change in address as soon as possible. The University Administration declines all responsibility if the candidate cannot be found and if communications are lost, due to an inexact indication of the address by the candidate, or due to a late communication, or non-communication, or any change in address as indicated in the application. The University Administration also declines all responsibility for any late delivery, or non-delivery, of communications relating to the competition for reasons not imputable through gross negligence to the Administration but to postal or data transmission errors, to third parties, to fortuitous events or to force majeure.

The documents attached to this application will be evaluated in accordance with art. 7 of the notice.

The candidate must attach with the application:

- 1) photocopy of ID;
- 2) photocopy of Tax Code;
- 3) curriculum drawn up according to attachment "D", signed by the candidate and with the following attachments:
  - a) list of qualifications;
  - b) list of scientific publications to his/her name;
  - c) list of scientific publications presented for the selection process (within the maximum number of twelve as established by art. 1 of the announcement);
  - 4) documents and qualifications that the candidate considers useful for the purposes of the selection;
  - 5) publications point 3) letter c) that the candidate considers useful for the purposes of the selection (within the maximum number of twelve as established by art. 1 of the announcement);
  - 6) receipt of payment of €20.

If the application is sent in paper form, the application, documents, qualifications and publications are to be placed also on an optical or electronic storage medium, e.g. a CD or a USB stick, in PDF/A or Adobe PDF format. The applicant shall vouch, on his own responsibility, that this corresponds to the paper documentation.

It is not allowed to present attachments to the application in the form of links to files residing on "storage/online file sharing services" or Web pages.

The documents coming from abroad by foreign authorities must be legalized by the Italian diplomatic or consular representatives abroad and, if written in a foreign language, endorsed with a certified translation into Italian of the foreign text by the competent diplomatic or consular office or by an official translator.

Italian and EU citizens may:

- send the original qualifications, authenticated copies (also in PDF/A or Adobe PDF format) or copies declared in conformity with the original with a substitute declaration pursuant to arts. 46 and 47 of the Presidential Decree 445/2000, completing attachment C;
- otherwise, a substitute certification declaration or affidavit may be sent, completing the curriculum in conformity with attachment D.

Non-EU citizens authorized to stay in Italy pursuant to current norms, may use substitute declarations pursuant to arts. 46 and 47 of the Presidential Decree 445/2000, but only to the extent that they are used to prove conditions, facts and personal qualities that can be certified or attested by Italian public bodies.

Non-EU citizens not authorized to stay in Italy must document conditions, facts and personal qualities using certificates or statements issued by the competent authority of the foreign State.

Such documents must be legalized by the Italian diplomatic or consular delegations abroad: if written in a foreign language, they must also have the Italian translation, certified as being in conformity with the foreign text, by the competent diplomatic or consular delegation or by an official translator.

If the subject of the substitute declaration is not well identified in its nature, duration, temporal placement and body concerned, then the adjudicating commission may not take it into account.

Pursuant to the dispositions of art. 15 of Law n. 183 of 12.11.2011, the Administration does not accept certificates issued by Italian Public Administrations with regards to status, personal qualities and facts: these must always be substituted by substitute certification declarations or affidavits pursuant to arts. 46 and 47 of the Presidential Decree 445/2000.

It is not allowed to make reference in the present application to documents or publications already presented to this or other Administrations, or to documents and publications already enclosed to a different application for a different competition.

Applications that do not arrive within the deadline established by the announcement will not be taken into consideration, and no additional documentation will be admitted.

#### **Article 4 Publications**

The candidate produces his/her publications, maximum twelve as established by art. 1 of the announcement, including the Ph.D. thesis, in the original copy or declaring that the copy is in conformity (also in PDF/A or Adobe PDF format) using a substitute declaration of the affidavit, completing attachment "C".

The publications must include the date and place of publication.

Only publications or texts accepted for publication according to current norms will be taken into consideration, plus essays contained in miscellaneous works and articles in journals in paper or digital form, excluding internal notes or departmental reports. The Ph.D. thesis or equivalent qualifications will be taken into consideration even if the conditions as per the present clause are not met.

For works printed in Italy the filing requirements pursuant to Law n. 106 of 14.4.2004 must be respected, and the fact must be certified by suitable documentation or by a substitute declaration (attachment C) to be attached with the application.

If the candidate presents a greater number of publications as those required, the adjudicating commission will make an assessment of them the same a number equal to the limit referred to above and in the order listed in the "List of presented publications" by the candidate. In case the candidate does not present such a list, in a number equal to the above limit, there will be taken into account the most recent publications;

#### **Article 5 Withdrawal from procedure**

Notification of withdrawal from the selection process, duly signed and dated, must be given as soon as possible to the University of Udine following the procedure outlined in art. 3.

#### **Article 6 Adjudicating Commission**

The Adjudicating Commission shall be appointed by the Rector subject to the proposals made by the relevant Academic Department.

If the candidates have any objection to one or more of the members of the adjudicating Commission, these must be made to the Rector within the non-extendible deadline of thirty days from the publication of the decree on the online notice board of the University.

Any details will also be made available on the site:

<http://www.uniud.it/it/ateneo-uniud/concorsi-bandi-uniud/bandi-docenti-ricercatori/ricercatori-tempo-determinato-uniud>

#### **Article 7 Evaluation**

The candidate is selected by means of a preliminary evaluation of the candidates with a reasoned and analytical assessment of the qualifications, curriculum and scientific production, including the Ph.D. thesis.

The adjudicating commission shall make a reasoned evaluation following a comparative assessment, with reference to the specific competition sector and the profile indicated in art. 1, of the curriculum and the following qualifications, duly documented, of the candidate:

a) Ph.D. or equivalent, or, for the fields concerned, medical specialization diploma or equivalent, obtained in

Italy or abroad;

b) any didactic activities at University level, in Italy or abroad;

c) documented activity in training or research at qualified Italian or foreign institutions;

d) documented activity in the clinical field related to the competition sectors in which such specific competences are required;

e) planning activities related to the competition sectors in which such activities are envisaged;

f) organization, management and coordination of national and international research groups, or participation in such groups;

g) ownership of patents related to the competition sectors in which it is envisaged;

h) speaker at national and international conferences and conventions;

i) national and international prizes and awards for research;

j) European specialization diploma recognized by international Boards, related to the competition sectors in which it is envisaged.

Each qualification is evaluated by specifically considering the significance that it has with regard to the quality and quantity of the research carried out by the individual candidate.

The adjudicating commission shall make the comparative assessment of the publications as per art. 4 based on the following criteria:

a) originality, innovation, methodological rigour and relevance of each scientific publication;

b) congruency of each publication with the competition sector for which the process is announced and with the profile indicated in art. 1, or with inter-disciplinary themes connected thereto;

c) scientific relevance of the editorial location of each publication and its diffusion inside the scientific community;

d) analytical determination, also based on criteria recognized in the relative international scientific community, of the individual contribution of the candidate if he/she participates in collaborative work.

The adjudicating commission shall also evaluate the overall consistency of the candidate's scientific production, its intensity and continuity over time, taking into account any periods, properly documented, which the candidate involuntarily spent away from research, with particular reference to parenting.

Within the framework of the competition sectors where there is a consolidated use thereof at an international level, when assessing the publications the commission shall also make use of the following indicators, referred to the deadline for the candidature:

a) total number of citations;

b) average number of citations per publication;

c) total impact factor;

d) average impact factor per publication;

e) combination of the previous parameters able to optimize the impact of the candidate's scientific production (Hirsch index or similar).

The adjudicating Commission, in respect of current norms concerning author's rights, shall use the publications presented by the candidate exclusively for reasons of the present application.

Following the preliminary assessment, between 10 and 20 percent of the comparatively most meritorious candidates, and in any case no fewer than six, shall be admitted to the public discussion with the commission of their qualifications and scientific production; the candidates shall all be admitted to the discussion if there are six or fewer candidates.

The result of the preliminary assessment will be published on the University on-line noticeboard, and the University website.

Simultaneously with the discussion of the qualifications and publications, with a suitable oral test, an adequate knowledge of the English language is verified.

After the discussion, points are awarded to the qualifications and to each of the publications presented by the candidates admitted.

The maximum number of points that can be awarded for qualifications and publications is 100, subdivided as follows:

- qualifications 50 points

- publications 50 points

Candidates must present themselves for the discussion with a valid ID or equivalent document pursuant to art. 35 clause 2 of Presidential Decree 445/2000.

Candidates will be notified of admission to the discussion no earlier than twenty days prior to the date discussions will take place. Notification will be by means of registered letter with acknowledgement of delivery or Italian mailbox "Posta Elettronica Certificata (PEC) if the candidate gave such an address in their application.

The date of the discussion will be published on the site:

<http://www.uniud.it/it/ateneo-uniud/concorsi-bandi-uniud/bandi-docenti-ricercatori/ricercatori-tempo-determinato-uniud>

Any candidate summoned who does not present himself/herself for the discussion will be deemed to have explicitly and definitively renounced his/her participation in the selection.

At the end of their deliberations, the adjudicating commission, based on the points awarded to the qualifications and publications, declare the winning candidate and draw up the classification.

### **Article 8 Validity of the records**

The records of the adjudicating commission consist of the minutes of the meetings and the attachments thereto, the final classification and the report summarizing the work performed.

Within thirty days of the records being handed in, and after verifying that the procedure was correctly carried out, the Rector approves the records with a decree. Otherwise, the Rector shall return the papers to the adjudicating commission, at the same time assigning to it a deadline to regularize them.

The decree approving the records, the final report and the final classification will be made public on the University's on-line noticeboard and web site.

Within sixty days of the records being approved, the Department shall formulate the proposal to call the successful candidate, upon a favourable vote by the absolute majority of full and associate professors, which must be approved by a decision of the Board of Governors.

Only in the event of the highest ranked candidate declining the job offer will it then be offered to the next candidate(s) on the short list.

### **Article 9 Return of documents and publications**

Documents and publications attached to the application will be returned by post to those candidates who so request, 180 days after the publication of the decree approving the records and within the following 30 days. Publications presented as originals for which no request for return is made shall be sent to the Inter-Departmental Libraries Center, to further increase the University book stocks.

All the remaining documentation shall be eliminated according to legal norms.

The candidate must indicate, when he/she applies, whether he/she wishes the documentation to be returned.

### **Article 10 Documents required for drawing up the contract**

The successful candidate is called by the Rector.

If he/she is an Italian or other EU citizen, the successful candidate must send the following documentation within the deadline established by the Administration, otherwise the appointment shall lapse:

- 1) Declaration pursuant to Presidential Decree 445/2000, attesting:
  - a) that the candidate was in possession of his/her civil and political rights on the expiry date of the announcement;
  - b) any lawsuits pending on the expiry date of the announcement;
  - c) family unit;
  - d) that he/she has no other positions working for the State, local Bodies, other public administrations or private bodies or, otherwise, that he/she opts for the new position.

For the whole duration of the contract the researcher, if employed by State administrations, shall be put on leave without pay or national insurance contributions, or taken off the permanent staff if such position is envisaged by the regulations of the employing structure.

If not an EU citizen, the researcher must present the following documents, within the deadline established by the Administration and according to the provisions of clauses 2, 3 and 4 of art. 3 of Presidential Decree 445/2000, otherwise the appointment lapses:

- 1) Birth certificate.
- 2) Certificate equivalent to the general certificate of the judicial register issued by the competent Authority of the State where the foreign candidate is a citizen. If normally living in Italy pursuant to art. 3 of Presidential Decree 445/2000, as well as the above certificate, the foreign candidate must also self-certify that he/she has no penal convictions or pending charges.

3) Certificate of nationality.

4) Certificate attesting that the candidate was in possession of his/her civil and political rights on the expiry date of the announcement.

Documents as per 2), 3) and 4) must be dated no earlier than six months from the date the result of the competition was published.

Certificates issued by the competent Authorities of the State where the researcher is a citizen must be legalized by the Italian diplomatic or consular delegations abroad; if written in a foreign language, they must also have the Italian translation, certified as being in conformity with the foreign text, by the competent diplomatic or consular delegation or by an official translator.

## **Article 11**

### **Contract of work**

The Rector shall enter into a fixed-term contract of work with the successful candidate.

The introduction of the work contract shall in any case respect the limits established by current legislation in terms of the employment of personnel.

The researcher shall provide the services as per art. 1 of the announcement.

The contract shall last three years, extendible for two years only and once only, conditional on the finding of suitable funding in the future to cover the other two years and a positive assessment of the didactic activities and research carried out.

Annual gross remuneration: € 34,898.06, corresponding to the initial salary of a confirmed full-time researcher.

The overall number of hours for didactic activities, additional didactics and services to students is 350 hours.

There is a probationary period of three months, during which each of the Parties may terminate the contract at any time with no notice, effective immediately upon communication to the other Party.

The researcher shall perform his activities in the place indicated in art. 1 of the announcement. He/she shall perform his activities according to the provisions of the contract and the programming of the competent bodies. The research shall be carried out under the direction of the person responsible for the research project.

The researcher shall respect the internal regulations concerning the protection of intellectual and industrial property and confidentiality, and also the directives issued by the scientific director concerning the diffusion of knowledge and know-how acquired during his activities.

The research must be self-certified every year by report and then validated by the person responsible for the research project or, if not available, by the Departmental Director. For the purposes of presenting the financial statement for research projects, the researcher's annual activities, including research, study and teaching, with the connected preparation, testing and organization, amount to 1500 hours per annum.

Direct teaching and other activities connected to teaching shall be certified by the class register and the register of didactic commitments.

Should the contract include assistance and care activities at the 'Azienda Sanitaria Universitaria Integrata di Udine' (Integrated University Hospital / Local Health Authority of Udine), such activities shall be carried out according to the terms set out in the Memorandum of Understanding for the provision of assistance and care activities between the Region of Friuli-Venezia and the University of Udine.

The researcher shall undergo the health checks provided by Legislative Decree 81/2008 and subsequent amendments.

The researcher is subject to the disciplinary competence of the Commission pursuant to art. 10 of Law 240/2010.

The dispositions of the University Statute shall also be applied to the researcher, including those concerning the possibility of voting and standing for election in the University bodies.

The researcher's work relationship is disciplined by current dispositions regarding subordinate work, including those concerning tax deductions and welfare and national health contributions for the employed.

According to the programming resources available, the Department may, with the researcher's consent and in the six months prior to the expiry of the contract, propose an extension thereof, for once only and for two years only, justifying said extension with reference to didactic and research requirements.

The researcher's teaching and research shall be evaluated by a suitable commission appointed by the Rector, based on a report prepared by the Department.

If the assessment is positive, the proposed extension is subject to approval by the Board of Governors within the deadline of the contract to be extended.

The work relationship shall terminate when the contract expires or if one of the Parties withdraws.

The researcher may withdraw from the contract by giving the University a sixty-day notice. In the absence of such notice, the University has the right to withhold from the researcher an amount corresponding to the

remuneration for the period of notice not given.

If there is a cause that prevents the relationship from continuing, even provisionally, withdrawal for a just cause is allowed, pursuant to art. 2119 of the Civil Code.

A fixed-term researcher's contract is incompatible with:

- participation in a Ph.D. Programme;
- award of a research grant;
- award of scholarships or research scholarships and similar fixed-term contracts already entered into with Udine or other Universities;
- practice of trade and industry;
- private practice;
- any other subordinate work relationship with public or private bodies.

The researcher is allowed to carry out other temporary teaching posts for payment, and other jobs conferred by third parties if authorized by the Rector following a written opinion given by the Departmental Director, provided that these do not entail any conflict of interest with the University and are compatible with the proper performance of the research according to the contract.

The contract does not give any right regarding access to tenured positions at the University.
