F PARIS004	<p>Paris-Sorbonne University is using the European Credit Transfer and Accumulation System (ECTS). At Paris-Sorbonne University, all our marks are out of 20. For information, Paris-Sorbonne stands amongst one of the most difficult grading systems in France. It is important to notice that a 10/20 is a good grade, and that it stands for the passing grade.</p> <p>The credit part refers to the number of European credits the course provides. It is based on the 30 credits per semester system that French students must pass to validate one semester. It does not refer to the number of hours taken for one course.
