### D. Additional requirements

#### E MADRID03

- The number of students you will send to E MADRID03 may by no means exceed the number of students mentioned in this agreement. More specifically, we do not accept the mechanism by which shorter periods of stay allow for the sending of more students, i.e. on an exchange of 1 student for 10 months, you may not freely send 2 students for 5 months, not even if their stay covers different semesters. Please take this into consideration when organising your students selection.
- Complutense University has facilities for students with a learning or physical disability. Disabled students can rely on the support service "Office for the Integration of Persons with Disabilities", which offers material, technical, and social aid. <https://www.ucm.es/oipd> or <https://www.ucm.es/office-for-the-integration-of-persons-with-disabilities->
- Staff Mobility for Training and for Teaching: Complutense University welcomes applications from foreign Staff for a training/teaching period, however it is at the discretion of the department concerned whether or not to accept a staff visitor. Applications must be sent to [rrinter@ucm.es](mailto:rrinter@ucm.es) at least two months prior to the desired training/teaching period. The training/teaching period cannot be scheduled during Summer (i.e. July-August) in the Academic year.

<sup>6</sup> For an easier and consistent understanding of language requirements, use of the Common European Framework of Reference for Languages (CEFR) is recommended, see <http://europass.cedefop.europa.eu/en/resources/european-language-levels-cefr>

<sup>7</sup> For an easier and consistent understanding of language requirements, use of the Common European Framework of Reference for Languages (CEFR) is recommended, see <http://europass.cedefop.europa.eu/en/resources/european-language-levels-cefr>

However, some Master students having passed only 180 ECTS may be accepted in Master level courses if their background is solid and approved by the master's coordinator. Students will provide the following documents to the International Relations office of corresponding Faculty/School: CV, transcript of records and motivation letter. The learning agreement of the student must be approved by the master's coordinator.
- Admission to a specific course is subject to the exchange student being satisfactorily qualified for the chosen area of study and/or course level, and availability
