The French grading system requires a minimum score of 10 to validate the Academic Unit (UE). It is a 20-point scale with the following honors:

10=correct,

12=satisfactory,

14=good, 16=very good,

18 and above=congratulations.

In practice, outstanding students get a score >15.

The European ECTS system initially divides students between pass and fail groups, and then assesses the performance of these two groups separately. Those obtaining passing grades are divided into five subgroups:

the best 10% are awarded an A-grade,

the next 25% a B-grade,

the following 30% a C-grade,

the following 25% a D-grade

and the final 10% an E-grade.

Those who have not achieved a performance sufficient to allow a passing grade are divided into two subgroups:

FX (Fail - some more work required before credit can be awarded)
and F (Fail - considerable further work is required).
