- 3. Ricercare per documento (Documents)**
- 4. Impact Factor**
- 5. Accedere al full-text degli articoli o utilizzare il servizio di fornitura documenti**
- 6. Ricercare le citazioni (Cited References)**
- 7. Ricercare per autore (Researchers)**
- 8. Strumenti integrati in WOS**

Web of Science (WOS) è una **banca dati citazionale** di riferimenti bibliografici, abstract e dati bibliometrici

I numeri di WOS:

1.9BN
cited references

134K+
books covered

85.9M
records going back to 1900

20M
records with funding data

21K+
peer-reviewed journals

17.2M
open access records with full text links

300K+
conferences covered

254
subject categories across the sciences,
social sciences, arts, and humanities

Contiene riferimenti bibliografici ad articoli da periodici *peer-reviewed*, libri e collane, atti di convegni. Include brevetti

È un prodotto dell'editore Clarivate

Web of Science consente di:

- **ricercare** all'interno dei suoi indici utilizzando titoli, parole chiave, nomi di autori; trovare i **riferimenti bibliografici** dei documenti e accedere al full-text
- scoprire le **relazioni** tra i documenti in base alle citazioni ricevute e valutare l'**impatto** delle riviste (Impact factor) e degli autori (H-Index)
- **gestire** le ricerche effettuate: salvarle, inviarle via mail, impostare alert; esportare i riferimenti bibliografici in EndNote, il sw di **reference management** integrato in WOS

Dall'homepage clicca sul **punto di domanda** per scoprire le nuove funzionalità, visionare tutorial e per attivare l'help online

The screenshot displays the Web of Science homepage. At the top, the Clarivate logo is on the left, and 'English' and 'Products' are on the right. Below the logo, 'Web of Science' and 'Search' are visible. A navigation menu on the left includes icons for home, search, and notifications. The main content area is divided into 'DOCUMENTS' and 'RESEARCHERS' tabs. The 'DOCUMENTS' tab is active, showing search filters for 'Web of Science Core Collection' and 'All Editions'. A search box contains the example text 'Example: liver disease india singh'. Below the search box are buttons for '+ Add row', '+ Add date range', and 'Advanced Search'. A 'Resources & updates' dropdown menu is open on the right, listing items like 'Product updates (17)', 'Guided tours', 'Training (3)', 'News & events (5)', 'Online help & contact us', and 'Suggest a feature'. A red circle highlights a question mark icon with the number 25 in the bottom right corner of the page.

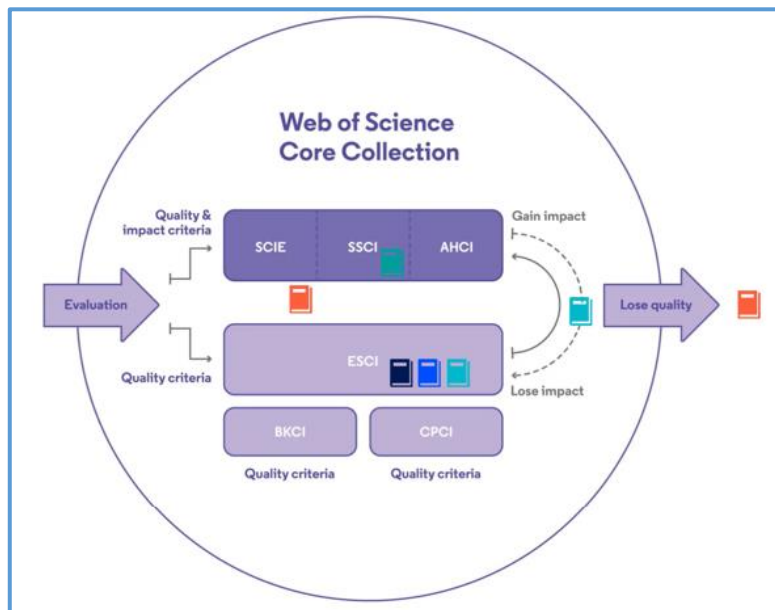

Con Web of Science puoi eseguire ricerche all'interno dei database che lo compongono (indici). Come prima scelta viene proposto **Web of Science Core Collection**

The screenshot shows the Web of Science interface with two main tabs: DOCUMENTS and RESEARCHERS. The search bar is set to 'Web of Science Core Collection' and 'Editions: All'. A dropdown menu is open, listing various databases: All Databases, Web of Science Core Collection, BIOSIS Citation Index, Current Contents Connect, Data Citation Index, Derwent Innovations Index, FSTA® - the food science resource, KCI-Korean Journal Database, MEDLINE®, and Preprint Citation Index (marked as 'New'). The Preprint Citation Index is selected, and its details are shown on the right: 'Preprint Citation Index (1991-present)', a description of preprints, and two bullet points: 'Discover preprints connected to author profiles and peer reviewed literature in the Web of Science.' and 'Link directly to the preprint repositories to view each version of the preprint and download full text.' The date 'Data updated 2023-10-18' is also visible.

Un menu a tendina consente di selezionare i vari indici. Si può anche effettuare una ricerca simultanea in tutti i database elencati (**All Databases**)

Web of Science Core Collection è l'**indice principale**. E' curato da un team di esperti che fanno capo a WOS Group e che si dichiara indipendente dalle case editrici

I periodici che rispondono a precisi requisiti di qualità vanno a popolare l'index ESCI. Se soddisfano anche i criteri di *impact* richiesti passano ai più prestigiosi SCIE, SSCI e AHCI (in base alla disciplina trattata)

Vengono **eliminati** dalla Core Collection i periodici non più in linea con i requisiti

The screenshot displays the 'DOCUMENTS' tab in the Web of Science interface. At the top, there are tabs for 'DOCUMENTS' and 'RESEARCHERS'. Below the tabs, the search scope is set to 'Web of Science Core Collection' and the edition to 'All'. A search field contains 'All Fields' and a search button '+ Add row'. A dropdown menu is open, listing various citation indices with checkboxes. The 'Select All' option is checked. The list includes:

- Select All
- Science Citation Index Expanded (SCI-EXPANDED)--1985-present
- Social Sciences Citation Index (SSCI)--1985-present
- Arts & Humanities Citation Index (AHCI)--1985-present
- Conference Proceedings Citation Index - Science (CPCI-S)--1990-present
- Conference Proceedings Citation Index - Social Science & (CPCI-SSH)--1990-present
- Book Citation Index - Science (BKCI-S)--2009-present
- Book Citation Index - Social Sciences & Humanities (BKCI-SSH)--2009-present
- Emerging Sources Citation Index (ESCI)--2015-present
- Current Chemical Reactions (CCR-EXPANDED)--2009-present
- Index Chemicus (IC)--2009-present

1 Attitudes of nursing staff towards pressure ulcer prevention in primary and specialised health cross-sectional study
Parisod, H; Holoapainen, A (-); Haavisto, E
Feb 2022 | Jun 2021 (Early Access) | INTERNATIONAL WOUND JOURNAL 19 (2), pp.399-410
The aim of this correlational, cross-sectional study was to assess the pressure ulcer prevention attitudes of the nursing associated with it both in primary and special health care. The study was conducted with nursing staff (N = 554) working care units in two hospital districts in Finland in 2018 to 2019. Attitude towards Pressure ulcer

Cliccando sul titolo della rivista si accede alle informazioni sull'**Impact Factor (IF)** della rivista stessa. Si possono avere dettagli completi selezionando **Source: Journal Citation Reports (Learn more)**

The screenshot shows the Web of Science interface for the journal "JAMA-JOURNAL OF THE AMERICAN MEDICAL ASSOCIATION". The main article title is "Preventing pressure ulcers: A systematic review". The journal's impact factor is 120.7, and its five-year impact factor is 81.4. The JCR category is "MEDICINE, GENERAL & INTERNAL in SCIE edition" with a rank of 3/169 and a quartile of Q1. The source is listed as "Source: Journal Citation Reports 2022" with a "Learn more" link. Two orange arrows point to the journal title and the "Learn more" link.

JCR Category	Category Rank	Category Quartile
MEDICINE, GENERAL & INTERNAL <i>in SCIE edition</i>	3/169	Q1

Impact Factor (IF)

L'IF individua l'impatto (il peso) di una rivista nel suo settore disciplinare: è il **rappporto** fra il numero di citazioni ricevute in un dato anno dagli articoli pubblicati da una certa rivista nei due anni precedenti e il numero di questi ultimi.

Journal Impact Factor

The Journal Impact Factor (JIF) is a journal-level metric calculated from data indexed in the Web of Science Core Collection. It is based on the number of publications and citations characteristics of the subject area and type of journal. The Journal Impact Factor can complement existing metrics to use a journal-level metric as a proxy measure for individual researchers, institutions, or articles. [Learn more](#)

EndNote Click

EndNote Click

Richiede l'installazione. Ricerca gli articoli all'interno degli abbonamenti della propria istituzione; se non presenti, ricerca le eventuali versioni open access

Key Benefits for libraries

One-click access to legal full-text articles

EndNote Click gives your patrons one-click access from within their existing workflows. Help researchers spend less time struggling with access, and more time reading the papers they need, anytime, anywhere.

Streamline access both on and off campus

EndNote Click lets your patrons seamlessly access their library subscription both on campus via IP authentication, and off-campus using your library's authentication infrastructure.

Drive increased usage of your journal subscriptions

EndNote Click ensures that your library subscriptions are conveniently available at the point of need across more than 20,000 academic platforms, eliminating the appeal of illegitimate alternatives. Usage is automatically COUNTER compliant so you get visibility of which resources are being used.

Find the best legally-available version of a research paper

EndNote Click always prioritizes the Version of Record directly from the publisher. When not available via your existing subscription, it will search for an open access alternative in repositories, discovery services and other legitimate sources of access.

Segnalaci eventuali problemi di accesso e malfunzionamenti attraverso il servizio di assistenza online disponibile in UDiscover

The screenshot shows the UDiscover website interface. At the top, there is a navigation bar with the university logo and several menu items: NUOVA RICERCA, CERCA RIVISTE, BANCHE DATI E RISORSE ELETTRONICHE, RICHIESTA FORNITURA DOCUMENTI, CATALOGO DELLA RICERCA UNIUD, and UDISCOVER INFO. On the right side of the navigation bar, there are icons for a clock, a pushpin, and a user profile labeled 'Login', along with a 'Menu' dropdown arrow.

The main content area features the 'udiscover' logo and a search bar with the placeholder text 'Scrivi qui'. To the right of the search bar are options for 'Tutte le risorse', a microphone icon, a magnifying glass icon, and the text 'RICERCA AVANZATA'. Below the search bar, there are three filter options: 'Cerca tutti i documenti', 'che contengono le parole', and 'ovunque nel record', each with a dropdown arrow.

The page is divided into three main columns. The left column is titled 'UDiscover per le tue ricerche' and contains text about searching for resources and a list of actions: 'Fai login per: - richiedere o rinnovare un prestito - verificare le tue prenotazioni - salvare i risultati e le ricerche - richiedere libri o articoli che non trovi nelle biblioteche Uniud'. Below this, there is a blue button labeled 'Hai bisogno di aiuto?' which is circled in orange. Underneath the button are three links: 'Scrivici per problemi di accesso e consultazione', 'Approfondisci con le guide e i tutorial', and 'Richiedi il Servizio di consulenza bibliografica'.

The middle column is titled 'In evidenza' and contains three links: 'Accedi da casa alle risorse elettroniche (per utenti Uniud)', 'Partecipa agli incontri formativi proposti dal Sistema bibliotecario Uniud', and 'Prenota il posto in biblioteca'. Below these is another link: 'Tutti i servizi del Sistema bibliotecario Uniud'. At the bottom of this column is a section titled 'Contattaci' with two links: 'Sedi e orari delle biblioteche' and 'I social del Sistema bibliotecario Uniud'.

The right column features a blue button labeled 'Hai bisogno di aiuto?' which is circled in orange. Below it is a white box with a blue exclamation mark icon and three links: 'Scrivici per problemi di accesso e consultazione', 'Approfondisci con le guide e i tutorial', and 'Richiedi il Servizio di consulenza bibliografica'. At the bottom of this box is a link: 'Prenota un posto in biblioteca'.
